

PEER-ASSISTED LEARNING SESSIONS (PALS) SEMESTER 1, 2026.

Please check the room number for on-campus sessions on level B and A of the Library. Online sessions meet in the Virtual Room on the Study Help Site. Sessions start in week 1 of semester. Please check your unit UCLearn (Canvas) site for details.

	Monday			Tuesday		Wednesday						Thursday			Friday	
	On-Campus	Virtual classroom		On-Campus	Virtual classroom	On-Campus			Virtual classroom			On-Campus	Virtual classroom		On-campus	Virtual classroom
10:30-11:30am				Experimental Psych Workspace 1		Mechanisms of Disease Online										
11:30am-12:30pm							RAP Workspace 1								AFA Workspace 1	
12:30-1:30pm				Int. Physiology Workspace 1	IPS Workspace 2	Fundamentals of Biochem Online						Contextual Physics Workspace 1				
1:30-2:30pm				Concepts in Pharm Workspace 1			UPB Workspace 1	Mechanisms of Disease Workspace 2	Concepts in Patho 8A15						Biomechanics 1 Workspace 1	
2:30-3:30pm		Concepts in Patho Online										FoAP Workspace 1			RAP Workspace 1	
3:30-4:30pm		Contextual Physics Online														
4:30-5:30pm		RAP Online					Fundamentals of Biochem Workspace 1			Chemical Foundations Online			FoAP Online			
5:30-6:30pm		Intro to Econ Online	UPB Online			AFA Online				Int. Physiology Online	IPS Online	Experimental Psych Online		Biomechanics 1 Online	Concepts in Pharm Online	
6-7pm										BDM Online						

Advanced Functional Anatomy (AFA)
Biomechanics 1
Business Decision Making (BDM)
Chemical Foundations
Concepts in Pathophysiology

Concepts in Pharmacology
Contextual Physics with Mathematics
Experimental Psychology
Foundations of Anatomy and Physiology (FoAP)
Fundamentals of Biochemistry

Integrated Physiology
Introduction to Economics
Introductory Physiotherapy Skills (IPS)
Mechanisms of Disease
Regional Anatomy and Physiology (RAP)
Understanding People and Behaviour (UPB)
